

Oregon Mountaineering Association
oma@i-world.net

Membership Benefits

As a new member you will receive an OMA t-shirt, you will be eligible to participate in OMA classes and climbs, and you will have access to the OMA website members area. This allows you to post trips of your own, access special conditions information, download route descriptions, and more. You will also be added to the members e-mail list which is used to keep everyone informed.

Membership Application

Please fill in the following information and submit it to us, along with the appropriate membership fee. You will hear from us when we have received your application.

Name _____

Address _____

Employer _____ Job Title _____

Phone: (Home) _____ (Work) _____ E-mail: _____

Membership Agreement

My signature at the bottom of this page indicates that I have read and understand the following, and that I agree to abide by this agreement in its entirety. Some of these terms are the result of a past problem with a rogue USFS employee. If your intentions are good and you simply want to enjoy the outdoors and go climbing there shouldn't be any problem with any of our terms. Feel free to email us if you have any concerns.

- The information and signature on this application are my own, and I have not used an alias or any intentionally false information
- I am not an official of the United States Forest Service or National Park Service or acting as an agent thereof attempting to gain evidence for prosecution of any individual, association or club, or corporation for the intention of entrapment.
- I understand that all OMA internet resources other than publicly accessible webpages are for OMA members only. I will not share or disclose information obtained from any OMA members resource. I agree to keep my password confidential. I realize that accesses on the web are logged.
- I understand that any information submitted by members to be used on the web or on mailing lists is confidential and private. This applies particularly but not only to members profiles. I will not disclose or share this information with others without permission from the original author.
- I understand that this agreement is necessary to protect the association and its members, and that it includes requests by and/or discussions with law enforcement agents and officials of the United States Forest Service or National Park Service or acting as an agent thereof unless they are in possession of a valid and current subpoena or warrant.
- I understand that any lack of adherence to the above policies is in violation of a variety of state and federal laws including but not limited to those concerning privacy and copyrights.
